Thorin Oakenshield Actor Superlife Aa

The exquisitely talented British actor portraying the male lead John Thornton in *North & South*--Richard Crispin Armitage--became my unofficial muse.. Doesn't RA have a Gaelic Glow about him in his selfie? I swear that he has no crinkles and he doesn't look a day over 38--not a man who will be 44 years old in August.. Look back, look back at as the smouldering Thorin Oakenshield in this really lovely (Thanks!): To think that for four long years--starting when Richard Armitage was announced to portray Thorin in *The Hobbit* films on Oct. 22, 2010--we had waited and waited and waited for the, then the, and finally the.. Future character roles for Richard Armitage are anyone's guess But we will be eager for them--especially, his yet to be released films currently in post production! And we can always hope for a rom com in RA's future, pretty please.. And they were and are amazing storytelling! Jcreator for mac os x Kudos to all! And now *The Hobbit* films are done and Richard Armitage has moved on to tornadoes, a, a, a cameo in *Wonderland*, really bad hair (in post production; though RA looked great in his neat ponytail circa 2014, at right courtesy of AA Brazil), a for which, a *Sleepwalker* doctor (in post production), read love poems to us, and took on a scary role on tv.. Armitage--have a relaxing Sunday About *Gratiana Lovelace* Gratiana Lovelace is my nom de plume for my creative writing and blogging.. I have written over 50 script stories about love--some are fan fiction, but most are original stories--that I am just beginning to share with others on private writer sites, and here on my blog.. fildelning for mac So here is also a link to my 2012 blog post, with links to the various early articles about that pivotal moment (that I had giddily put together in a collage for that post, also shared here with you again below): I hope we all--and Mr.. Thorin Oakenshield Actor Superlife Aa! Great actor, in a number of the best Australian films of the last 40 years.

Thorin Oakenshield Actor Superlife Aa! If Irish sunlight is that favorable, maybe we should all have our portraits taken there.. I write romantic stories in different sub genres The stories just tumble out of me.. Does the poor man ever sleep or rest? I know, I know, we all have a couch that he could flop on and catch some zzzzz's--who cares if he snores! RA snoozing while on *The Battle of the Five Armies* press tour, in Paris right, courtesy of AA Brazil.. My resurgence in creative writing occurred when I viewed the BBC miniseries of Elizabeth Gaskell's novel *North & South* in February 2010.. Richard Armitage is in his professional and personal prime--and he is just getting started! But we remember the juggernaut *Hobbit* films Tolkien hero that catapulted him onto the world's international stage--Thorin Oakenshield.. He is a real 'craft actor' and made a conscious decision to stay based in Australia rather than pursue a career in the states (though he has done some movies there).. But I do like the ethereally pulsating on the: Richard Armitage is so busy professionally right now.

Up next is Richard Armitage playing a hunky monk on a quest of sorts (sound familiar?) in ()..
